**Subject:** Resolution Authorizing Execution and Approval of an Interlocal Agreement for Public Transportation Services Between Miami-Dade County and the City of Miami Springs for the Operation of the Miami Springs Free-Bee Shuttle

## **RECOMMENDATION**

It is recommended that the Board of County Commissioners (Board) approve an Interlocal Agreement (Agreement) for Public Transportation Services between Miami-Dade County (County), through Miami-Dade Transit (MDT), and City of Miami Springs (City) for the operation of public transportation service in and around the City.

## **SCOPE**

This Interlocal Agreement has a direct impact on Commission District 6 (Sosa). The Miami Springs Free-Bee Shuttle (Shuttle) also serves Virginia Gardens Town Hall located in Commission District 12 (Diaz). However, due to the connection of service with other MDT routes, the impact of this service benefits the public, and is therefore County-wide.

## **FISCAL IMPACT**

There is no fiscal impact to the County for this Agreement. The City will be responsible for all operating and maintenance costs of the service and will use its annual Charter County Transportation Surtax (Surtax) proceeds for the operation and maintenance of this service. There has not been a significant impact on MDT revenues.

## **TRACK RECORD/MONITOR**

This is the first Agreement between MDT and the City. The project manager for this Agreement is Mr. Eric Zahn, Transit Planning Section Supervisor, Service Planning and Scheduling.

## **BACKGROUND**

The City began operating the Shuttle prior to entering into an Interlocal Agreement with the County. Therefore, this is the first Transportation Service Agreement between the City and MDT. The Shuttle has proven to be quite successful and provides relief from local traffic congestion, reduces parking issues, and connects to surrounding areas through the MDT system.

The City approved the attached Agreement on February 11, 2013. This Agreement allows the City to provide residents and visitors with public transportation services in accordance with Chapter 31, Article III, Section 31-113 of the County Code, which concerns the ability of municipalities to operate public transit services only under Interlocal Agreements with the County.

Key provisions of this Agreement include:

- The City will adhere to all county, federal, state and local transit operating and reporting requirements.

- This Agreement shall remain in force for five years and is subject to two five-year automatic renewals. Each party has the right to terminate for cause or without cause.
- MDT and the City will work collaboratively to exchange route and schedule information for the benefit of riders.
- The City currently operates one route on the Shuttle.
  - The Shuttle operates Monday - Friday, 7:00 a.m. - 6:00 p.m. There is no service on weekends or City observed holidays.
  - Some of the major route stops of the Shuttle include: City Hall, Miami Springs Circle, Miami Springs Senior High School, Community Center, Senior Center, Virginia Gardens City Hall, Miami Springs Middle School, Holiday Inn and Miami Springs Country Club.
  - Shuttle riders can transfer to the following MDT routes:  
Route 36 and Route 132 both connect on NW 36 Street and Route 42 connects on LeJune Road.
- The City is responsible for passenger shelters and benches at all bus stops served by the shuttle.

The City is currently operating the service at no cost to patrons. In the case where the City may charge a fare, similar to other agreements for service, this agreement requires the City to enact a fare structure to include the acceptance of all Miami-Dade Transit passes, transfers, or identification entitling an eligible passenger to ride the service without paying an additional fare (i.e., Patriot Passport and Golden Passport) or for half fare (i.e. kindergarten - 12<sup>th</sup> grade students).

This Agreement is essentially the same as those previously approved by the Board with several other municipalities.
